TEMATICĂ PROBĂ INTERVIU

PROGRAM DE STUDII DE MASTERAT *Restaurarea și conservarea patrimoniului construit (în limba engleză)*

Restoration and Conservation of Built Heritage Master's Degree Interviews – Questions to Expect

Interview will be split into three parts: general / academic / personal.

General

What can you tell us about yourself?

Why are you interested in this specific program??

Where do you see yourself in five years?

Did you apply elsewhere?

Do you feel like you reached your full academic potential during your undergraduate degree? Why are you interested in this field of study?

Why should we accept you? / How will you contribute to our program?

What has motivated you to pursue this academic field?

What is your philosophy towards work?

Academic

What does "built heritage" mean to you?

Why is built heritage restoration important?

How do you approach community engagement in heritage projects?.

Are you familiar with relevant legislation and guidelines for heritage protection?

What are the main differences between conservation, restoration, and rehabilitation?

What are your areas of expertise within built heritage?

How would you rate yourself in the following areas?

1. Reading and Comprehension;
2. Analytical Skills;
3. Communication – oral and written, listening.

What is the most important progress in this field (restoration/conservation) over the past 25 years, and why?

What do you see as the major trends in restoration/conservation operations?

Why are you interested in built heritage restoration?

Personal

What are your strengths and weaknesses?

How do you deal with failure/disappointment?

What relevant skills and knowledge have you gained from your education or previous experience?

How do you deal with the stress of academia?

Tell us about a time when you were confronted by a fellow student, co-worker or a customer.

How did you handle it to solve the conflict?

Which hobbies and interests do you pursue when you are not studying or attending classes?

Which are your plans if you are not accepted into any graduate school program?

Are you creative?
