TEMATICĂ PROBĂ INTERVIU PROGRAM DE STUDII DE MASTERAT

Management de proiect în regenerarea urbană (în limba engleză)

Project Management in Urban Regeneration

Master's Degree Interview – Questions to Expect

Interview will be split into three parts: general / academic / personal.

General

What can you tell us about yourself?

Why did you choose this course/program?

Where do you see yourself in five years?

Did you apply elsewhere?

Do you feel like you reached your full academic potential during your undergraduate degree?

Why are you interested in this field of study?

Why should we accept you? / How will you contribute to our program?

What has motivated you to pursue this academic field?

What is your philosophy towards work?

Academic

What skills and experiences do you feel have prepared you for admission to this program?

What is your personal development direction? / What are you hoping to obtain in the future?

Describe a project you've worked on.

Do you like to manage and organize projects and teams?

Can you explain your interests to non-specialists? / How would you explain your field of study to someone who had no knowledge about it or related fields?

How would you rate yourself in the following areas?

1. Reading and Comprehension;
2. Analytical Skills;
3. Communication – oral and written, listening.

What is the most important progress in this field (project management in urban development/regeneration) over the past 25 years, and why?

What do you see as the major trends in project management in the constructions sector?

What do you think about real estate?

Personal

What are your strengths and weaknesses?

How do you deal with failure/disappointment?

What is your most significant accomplishment?

How do you deal with the stress of academia?

What have you been reading? / What's the last book you read?

Tell us about a time when you were confronted by a fellow student, co-worker or a customer. How did you handle it to solve the conflict?

Which hobbies and interests do you pursue when you are not studying or attending classes?

Which are your plans if you are not accepted into any graduate school program?

Are you creative?
